Band: Anemo

CD title: Pray

Label: City Canyons Records

Reviewer: Vena Kava

Pray, the new Single from the band Anemo straight out of the UK, must be heard. What stands out the most is the amazing female vocalist who has an unusually powerful yet beautiful voice, that just simply rocks out with the music. It is rare to find a voice so strong, punchy, and all at the same time totally hip. The song is a blend of powerpop and alternative rock, but it also has a dance remix that gets you grooving. The lyrics are exceptionally well written and the song is dynamically sound. What is more, the song is catchy, memorable, and the production is A++

I really think this band has a lot of potential; this is a song I expect to hear out on the dance floor and the radio soon.
